COMMUNITY HISTORY DOCUMENTATION PROJECT

The Springfield Township Historical Society's Community History Documentation Project seeks to acquire personal recollections from township residents and former residents about the people, places and events that shaped the history of our township. The information compiled will be added to our archive to benefit future generations and may be used for purposes of research, education, publication and exhibition. Submission of this form indicates your permission to publish the information it contains in all formats. We very much appreciate you taking the time to share your recollections of life in Springfield Township.
